

Girls Lacrosse Fundraiser

Hello all, hope winter and school seasons have treated you all well. Hope hockey, volleyball, gymnastics and dance are all going well.

We are launching a fundraising initiative for our girls program effective immediately. We have been given 500 tickets to the Toronto Rock Home opener on **Saturday December 16th** at a discounted rate, and have been tasked with selling them in our community. *We have marked each ticket up, from \$21 (our discounted price) to \$30, so that each ticket sold includes \$9 that is being kicked back to our Girls Lacrosse Program.* A truly great way to make some money for each group of lacrosse playing girls and our Program in general.

The initiative is two fold. Number one, we are going to make good money for our girls and make sure it goes to good use to help our growing program become better in 2018 and beyond. Number two, it will be an outstanding opportunity to stand, as a community behind two of the best to ever graduate from the OSMLA. *Adam Jones will be playing his first game as a Toronto Rock and Rob Hellyer (Lions Head) will be playing his first game in over a year.* He sustained an injury last season that kept him out. Be truly amazing to have a full section of OS fans, dressed in Orange to cheer them on.

On top of the monies raised, we will also be given the opportunity to have *a group of girls line up with the team during Oh Canada, a group of girls play a game at half time and potentially a group of girls form the tunnel as the players enter the playing field!* A once in a lifetime experience for our group. It also gives our girls a great opportunity to bond yet again as a team in a social setting. Something I believe very strongly in. Cohesiveness builds strength and strength helps builds champions and memories!!

I am very excited about this and really hope we can surpass the 500 tickets. Each team representative will be given tickets to promote/sell within your team. As we sell, we will get more. Myself and my wife Stacey will act as point on this and will send incremental updates on tickets sold as we progress. Each team will have a contact you can reach out to, to get your hands on tickets and hand in money. **A seating chart is attached. Seats for our group will be lower bowl, in behind the Rock net. Face value for these seats range between \$32 and \$45. \$30/per ticket is still a discount.**

Thanks so much on behalf of our Girls Field Lacrosse Program.

Please feel free to contact Stacey Doyle for tickets, and with any questions.
